Islamabad, the 4th April, 2023

Subject: - EXTENSION IN THE FIELD OPERATIONS OF 7TH POPULATION AND HOUSING CENSUS-2023-THE FIRST EVER DIGITAL CENSUS.

On recommendation of the Provincial Census Commissioners, the **Chief Census Commissioner/ Chief Statistician**, PBS has been pleased to approve the extension in the census field work for six days till **10th April, 2023** to ensure the complete coverage of the population and leftover structures/houses. The instructions regarding the extension in the field operations of the 7th Population & Housing Census may be conveyed to the census field staff and other concerned for smooth completion of the census field operations. The security related institutions may also be conveyed for the security arrangements of census field staff till the extended time of 10th April, 2023.

2. Your cooperation and urgent action on the matter will be highly appreciated.
