## LIST OF INDICATORS COVERED BY PSLM DISTRICT LEVEL SURVEY 2019-20

	S.NO	INDICATORS	
Population that has completed primary level or higher  Gross Enrolment rate at Primary, Middle and Matric Levels  Net Enrolment rate at Primary, Middle and Matric Levels  Gross Enrolment rate for Government primary Schools(Excluding Katchi class)  Net Enrolment rate for Government primary Schools(Excluding Katchi class)  Primary level Enrolment in government schools as percentage of total primary enrolment  Enrolment in Government Schools as a percentage of total enrolment at primary level enrolment at primary level percentage of children 10-18 years old that left school before completing Primary level primary level enrolment in Private schools  Primary level enrolment in Private schools  Reasons for leaving school before completing primary level (10-18 years)  Reasons for never attending schools (10-18 years)  Literacy level – Population 10 years and older  Adult Literacy level – Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  Percentage of Household with Computer, Laptop, Tablet  Percentage of individual Owning Mobile Phone  Percentage of Individuals with ICT skills  Percentage of individuals using internet  HEALTH		EDUCATION	
3 Gross Enrolment rate at Primary, Middle and Matric Levels 4 Net Enrolment rate at Primary, Middle and Matric Levels 5 Gross Enrolment rate for Government primary Schools(Excluding Katchi class) 6 Net Enrolment rate for Government primary Schools(Excluding Katchi class) 7 Primary level Enrolment in government schools as percentage of total primary enrolment 8 Enrolment in Government Schools as a percentage of total enrolment at primary lev 9 Percentage of children 10-18 years old that left school before completing Primary lev 10 Drop-out rates for the cohort aged 15-19 years 11 Primary level enrolment in Private schools 12 Reasons for leaving school before completing primary level (10-18 years) 13 Reasons for never attending schools (10-18 years) 14 Literacy level —Population 10 years and older 15 Adult Literacy level — Population 15 years and older 16 NFORMATION COMMUNICATION AND TECHNOLOGY 1 Percentage of Household with Computer, Laptop, Tablet 2 Percentage of household with Internet 3 Percentage of individual Owning Mobile Phone 4 Percentage of Individuals with ICT skills 5 Percentage of individuals using internet HEALTH	1	Population that has ever attended school	
4 Net Enrolment rate at Primary, Middle and Matric Levels 5 Gross Enrolment rate for Government primary Schools(Excluding Katchi class) 6 Net Enrolment rate for Government primary Schools(Excluding Katchi class) 7 Primary level Enrolment in government schools as percentage of total primary enrolment 8 Enrolment in Government Schools as a percentage of total enrolment at primary lev 9 Percentage of children 10-18 years old that left school before completing Primary lev 10 Drop-out rates for the cohort aged 15-19 years 11 Primary level enrolment in Private schools 12 Reasons for leaving school before completing primary level (10-18 years) 13 Reasons for never attending schools (10-18 years) 14 Literacy level — Population 10 years and older 15 Adult Literacy level — Population 15 years and older 16 Percentage of Household with Computer, Laptop, Tablet 2 Percentage of household with Internet 3 Percentage of individual Owning Mobile Phone 4 Percentage of Individuals with ICT skills 5 Percentage of individuals using internet  HEALTH	2	Population that has completed primary level or higher	
5 Gross Enrolment rate for Government primary Schools(Excluding Katchi class) 6 Net Enrolment rate for Government primary Schools(Excluding Katchi class) 7 Primary level Enrolment in government schools as percentage of total primary enrolment 8 Enrolment in Government Schools as a percentage of total enrolment at primary lev 9 Percentage of children 10-18 years old that left school before completing Primary lev 10 Drop-out rates for the cohort aged 15-19 years 11 Primary level enrolment in Private schools 12 Reasons for leaving school before completing primary level (10-18 years) 13 Reasons for never attending schools (10-18 years) 14 Literacy level –Population 10 years and older 15 Adult Literacy level – Population 15 years and older 16 INFORMATION COMMUNICATION AND TECHNOLOGY 1 Percentage of Household with Computer, Laptop, Tablet 2 Percentage of household with Internet 3 Percentage of individual Owning Mobile Phone 4 Percentage of Individuals with ICT skills 5 Percentage of individuals using internet HEALTH	3	Gross Enrolment rate at Primary, Middle and Matric Levels	
Net Enrolment rate for Government primary Schools(Excluding Katchi class)  Primary level Enrolment in government schools as percentage of total primary enrolment  Enrolment in Government Schools as a percentage of total enrolment at primary level  Percentage of children 10-18 years old that left school before completing Primary level  Drop-out rates for the cohort aged 15-19 years  Primary level enrolment in Private schools  Reasons for leaving school before completing primary level (10-18 years)  Reasons for never attending schools (10-18 years)  Literacy level —Population 10 years and older  Adult Literacy level — Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  Percentage of Household with Computer, Laptop, Tablet  Percentage of household with Internet  Percentage of individual Owning Mobile Phone  Percentage of Individuals with ICT skills  Percentage of individuals using internet  HEALTH	4	Net Enrolment rate at Primary, Middle and Matric Levels	
Primary level Enrolment in government schools as percentage of total primary enrolment  Enrolment in Government Schools as a percentage of total enrolment at primary lev  Percentage of children 10-18 years old that left school before completing Primary lev  Drop-out rates for the cohort aged 15-19 years  Primary level enrolment in Private schools  Reasons for leaving school before completing primary level (10-18 years)  Reasons for never attending schools (10-18 years)  Literacy level —Population 10 years and older  Adult Literacy level — Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  Percentage of Household with Computer, Laptop, Tablet  Percentage of household with Internet  Percentage of individual Owning Mobile Phone  Percentage of Individuals with ICT skills  Percentage of individuals using internet  HEALTH	5	Gross Enrolment rate for Government primary Schools(Excluding Katchi class)	
enrolment Enrolment in Government Schools as a percentage of total enrolment at primary lev Percentage of children 10-18 years old that left school before completing Primary lev Percentage of children 10-18 years old that left school before completing Primary lev Primary level enrolment in Private schools Primary level enrolment in Private schools Reasons for leaving school before completing primary level (10-18 years) Reasons for never attending schools (10-18 years)  Literacy level — Population 10 years and older Adult Literacy level — Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY Percentage of Household with Computer, Laptop, Tablet Percentage of household with Internet Percentage of individual Owning Mobile Phone Percentage of Individuals with ICT skills Percentage of individuals using internet HEALTH	6	Net Enrolment rate for Government primary Schools(Excluding Katchi class)	
Percentage of children 10-18 years old that left school before completing Primary le  Drop-out rates for the cohort aged 15-19 years  Primary level enrolment in Private schools  Reasons for leaving school before completing primary level (10-18 years)  Reasons for never attending schools (10-18 years)  Literacy level —Population 10 years and older  Adult Literacy level — Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  Percentage of Household with Computer, Laptop, Tablet  Percentage of household with Internet  Percentage of individual Owning Mobile Phone  Percentage of Individuals with ICT skills  Percentage of individuals using internet  HEALTH	7		
10 Drop-out rates for the cohort aged 15-19 years  11 Primary level enrolment in Private schools  12 Reasons for leaving school before completing primary level (10-18 years)  13 Reasons for never attending schools (10-18 years)  14 Literacy level —Population 10 years and older  15 Adult Literacy level — Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  1 Percentage of Household with Computer, Laptop, Tablet  2 Percentage of household with Internet  3 Percentage of individual Owning Mobile Phone  4 Percentage of Individuals with ICT skills  5 Percentage of individuals using internet  HEALTH	8	Enrolment in Government Schools as a percentage of total enrolment at primary level	
11 Primary level enrolment in Private schools 12 Reasons for leaving school before completing primary level (10-18 years) 13 Reasons for never attending schools (10-18 years) 14 Literacy level —Population 10 years and older 15 Adult Literacy level — Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY 1 Percentage of Household with Computer, Laptop, Tablet 2 Percentage of household with Internet 3 Percentage of individual Owning Mobile Phone 4 Percentage of Individuals with ICT skills 5 Percentage of individuals using internet  HEALTH	9	Percentage of children 10-18 years old that left school before completing Primary level	
12 Reasons for leaving school before completing primary level (10-18 years)  13 Reasons for never attending schools (10-18 years)  14 Literacy level —Population 10 years and older  15 Adult Literacy level — Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  1 Percentage of Household with Computer, Laptop, Tablet  2 Percentage of household with Internet  3 Percentage of individual Owning Mobile Phone  4 Percentage of Individuals with ICT skills  5 Percentage of individuals using internet  HEALTH	10	Drop-out rates for the cohort aged 15-19 years	
13 Reasons for never attending schools (10-18 years)  14 Literacy level – Population 10 years and older  15 Adult Literacy level – Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  1 Percentage of Household with Computer, Laptop, Tablet  2 Percentage of household with Internet  3 Percentage of individual Owning Mobile Phone  4 Percentage of Individuals with ICT skills  5 Percentage of individuals using internet  HEALTH	11	Primary level enrolment in Private schools	
14 Literacy level –Population 10 years and older  15 Adult Literacy level – Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  1 Percentage of Household with Computer, Laptop, Tablet  2 Percentage of household with Internet  3 Percentage of individual Owning Mobile Phone  4 Percentage of Individuals with ICT skills  5 Percentage of individuals using internet  HEALTH	12	Reasons for leaving school before completing primary level (10-18 years)	
Adult Literacy level – Population 15 years and older  INFORMATION COMMUNICATION AND TECHNOLOGY  Percentage of Household with Computer, Laptop, Tablet  Percentage of household with Internet  Percentage of individual Owning Mobile Phone  Percentage of Individuals with ICT skills  Percentage of individuals using internet  HEALTH	13	Reasons for never attending schools (10-18 years)	
INFORMATION COMMUNICATION AND TECHNOLOGY  1 Percentage of Household with Computer, Laptop, Tablet  2 Percentage of household with Internet  3 Percentage of individual Owning Mobile Phone  4 Percentage of Individuals with ICT skills  5 Percentage of individuals using internet  HEALTH	14	Literacy level –Population 10 years and older	
1 Percentage of Household with Computer, Laptop, Tablet 2 Percentage of household with Internet 3 Percentage of individual Owning Mobile Phone 4 Percentage of Individuals with ICT skills 5 Percentage of individuals using internet  HEALTH	15	Adult Literacy level – Population 15 years and older	
2 Percentage of household with Internet 3 Percentage of individual Owning Mobile Phone 4 Percentage of Individuals with ICT skills 5 Percentage of individuals using internet HEALTH	INFORMATION COMMUNICATION AND TECHNOLOGY		
3 Percentage of individual Owning Mobile Phone 4 Percentage of Individuals with ICT skills 5 Percentage of individuals using internet  HEALTH	1	Percentage of Household with Computer, Laptop, Tablet	
4 Percentage of Individuals with ICT skills 5 Percentage of individuals using internet HEALTH	2	Percentage of household with Internet	
5 Percentage of individuals using internet  HEALTH	3	Percentage of individual Owning Mobile Phone	
HEALTH	4	Percentage of Individuals with ICT skills	
	5	Percentage of individuals using internet	
1 Percentage of children aged 12-23 months that have been immunized		HEALTH	
	1	Percentage of children aged 12-23 months that have been immunized	
Percentage of children aged 12-23 months that have been immunized by type of Antigen – Based on Record	2		
Percentage of children aged 12-23 months that have been immunized by type of Antigen – Based on Record and recall	3		

S.NO	INDICATORS
4	Children under 5 suffering from diarrhea in past 30 days
5	Treatment of diarrhea in children under 5 years
6	Type of practitioner consulted for diarrhea treatment
7	Pregnant women that have received Tetanus Toxoid injections
8	Prenatal consultations
9	Child delivery – Location and Type of Assistance
10	Postnatal consultations
	HOUSING,WATER SUPPLY AND SANITATION
1	Main source of Drinking Water
2	Percentage of households paying for water
3	Who installed the water Delivery system
4	Distance to water source
5	Type of Toilet used by the households
6	Type of Sanitation system used
7	Percentage Distribution of households by housing tenure
8	Percentage Distribution of households by material used for roof
9	Percentage Distribution of households by material used for walls
10	Percentage Distribution of households by material used for floor
11	Percentage Distribution of households by number of rooms
12	Percentage Distribution of households by Fuel used for Lighting
13	Percentage Distribution of households by Fuel used for cooking
14	Percentage of Household have specific Place of Handwashing with soap and Water
	PERCEPTION OF ECONOMIC SITUATION
1	Percentage distribution of households by Perception of their Economic situation compared to the year before
2	Percentage distribution of households by Perception of their Economic situation of the community compared to the year before
3	Percentage Distribution of household satisfaction by Facilities and service use
1	Functional Limitation (Disability)
2	Food Insecurity Experience Scale (FIES)
3	Migration
