Islamabad, the **27<sup>th</sup> December, 2024**

Subject: **INAUGURATION OF 7<sup>TH</sup> AGRICULTURAL CENSUS – 2024 “INTEGRATED DIGITAL COUNT”**

Pakistan Bureau of Statistics (PBS) is conducting the 7<sup>th</sup> Agricultural Census, “**The Integrated Digital Count**” building on the success of the 7<sup>th</sup> Population & Housing Census, “**The first ever Digital Census**” the largest digitization exercise of South Asia. Pakistan's population is around 241.5 million and increasing at the growth rate of **2.55% per annum**, putting immense pressure on all resources including food availability. 16% of the population already faces moderate to severe food insecurity, therefore providing update data is imperative for “informed **decision making**”. The Agricultural Census will provide benchmark data for socio-economic development and effective food security policies. Through Agricultural Census, “**The Integrated Digital Count**”, as per best international standards and **UN guidelines**, PBS will collect comprehensive data on **Agricultural Lands, Crops, Livestock, and Machinery** for provision of reliable data for policy making.

2. It is important to mention that Balochistan is country biggest province by area and rich province with large number of herds of livestock. The province contributed significant to Pakistan's agriculture sector, with **40%** of its population livelihood dependent on the sector. PBS is highly grateful to the Government of Balochistan and your organization for the extensive support in terms of provision of staff and training venues and ownership for the national cause of immense importance for “**data driven policy making**”.

3. The field operations of 7<sup>th</sup> Agricultural Census “**the integrated digital count**” will begin from **1<sup>st</sup> January, 2025 and will continue up to 10<sup>th</sup> February, 2025**. PBS is highly grateful to Honourable **Chief Minister Balochistan, Mr. Sarfaraz Bugti** who will grace the inauguration ceremony of the field operations at Chief Minister Office at \_\_\_\_\_ **on 1<sup>st</sup> January, 2025**. It is requested to please attend the event of national importance, being the relevant stakeholder. Invitation Card is attached herewith for further liaison please contact Syed Roohullah Shah, CSO and Provincial In-charge PBS office, Quetta (Ph. 081-9211859, Cell. 0300-3885980).

4. Looking forward for your valuable presence for enhancing ownership of national event.

The Agricultural Census will provide benchmark data for socio-economic development and effective food security policies. Through Agricultural Census, “**The Integrated Digital Count**”, as per best international standards and **UN guidelines**, PBS will collect comprehensive data on **Agricultural Lands, Crops, Livestock, and Machinery** for provision of reliable data for policy making.

2. It is important to mention that Balochistan is country biggest province by area and rich province with large number of herds of livestock. The province contributed significant to Pakistan's agriculture sector, with **40%** of its population livelihood dependent on the sector. PBS is highly grateful to the Government of Balochistan and your organization for the extensive support in terms of provision of staff and training venues and ownership for the national cause of immense importance for “**data driven policy making**”.

3. The field operations of 7<sup>th</sup> Agricultural Census “**the integrated digital count**” will begin from **1<sup>st</sup> January, 2025 and will continue up to 10<sup>th</sup> February, 2025**. PBS is highly grateful to Honourable **Chief Minister Balochistan, Mr. Sarfaraz Bugti** who will grace the inauguration ceremony of the field operations at Chief Minister Office at \_\_\_\_\_ **on 1<sup>st</sup> January, 2025**. It is requested to please attend the event of national importance, being the relevant stakeholder. Invitation Card is attached herewith for further liaison please contact Syed Roohullah Shah, CSO and Provincial In-charge PBS office, Quetta (Ph. 081-9211859, Cell. 0300-3885980).

4. Looking forward for your valuable presence for enhancing ownership of national event.

Islamabad, the **27<sup>th</sup> December, 2024**

Subject: **INAUGURATION OF 7<sup>TH</sup> AGRICULTURAL CENSUS – 2024 “INTEGRATED DIGITAL COUNT”**

Pakistan Bureau of Statistics (PBS) is conducting the 7<sup>th</sup> Agricultural Census, “**The Integrated Digital Count**” building on the success of the 7<sup>th</sup> Population & Housing Census, “**The first ever Digital Census**” the largest digitization exercise of South Asia. Pakistan's population is around 241.5 million and increasing at the growth rate of **2.55% per annum**, putting immense pressure on all resources including food availability. 16% of the population already faces moderate to severe food insecurity, therefore providing update data is imperative for “informed **decision making**”. The Agricultural Census will provide benchmark data for socio-economic development and effective food security policies. Through Agricultural Census, “**The Integrated Digital Count**”, as per best international standards and **UN guidelines**, PBS will collect comprehensive data on **Agricultural Lands, Crops, Livestock, and Machinery** for provision of reliable data for policy making.
