1. Meeting of Cabinet Committee of Ministers regarding Population and Housing Census 2017.
2. VISIT OF DEPUTY CHAIRMAN PLANNING COMMISSION TO PBS
3. Sample Designing of Integrated Agriculture Census (IAC) 2021

Pakistan Bureau of Statistics (PBS) is the prime official agency of Pakistan, responsible for collection, compilation and dissemination of reliable and timely statistical information to the policy makers, planners and researchers. It publishes a variety of reports, based on primary and secondary data, especially on economics and social aspects of the country.

Meeting of Cabinet Committee of Ministers regarding Population & Housing Census 2017

Two meetings of the Cabinet Committee for finalization of Population and Housing Census 2017 results were held on 09-10-2020 and 21-10-2020 respectively under the chair of Syed Ali Haider Zaidi, Federal Minister for Maritime Affairs. Member parliament Sindh, representative from NADRA and PBS has attended the meeting. PBS briefed the committee regarding the Census results & issues, detailed deliberation were made in meetings. Minister Committee finalized their recommendation & submitted to M/O PD&SI the same recommendations have been forwarded with approval of cabinet to CCI for approval of final Census results 2017.

05th Meeting of Cabinet Committee of Ministers

VISIT OF DEPUTY CHAIRMAN PLANNING COMMISSION TO PBS

Mr. Muhammad Jehanzeb Khan Deputy Chairman Planning Commission (DCPC) visited Pakistan Bureau of Statistics (PBS), on 22nd October, 2020 and chaired a meeting on the activities and initiatives taken by PBS in the wake of COVID-19 pandemic.

Mr. Muhammad Sarwar Gondal, Member (RM/SS) briefing to DCPC regarding initiatives taken by PBS

Mr. Sarwar Gondal, Member Support Services & Resource Management PBS informed that PBS has shifted from manual data collection to electronic data collection and has achieved an In House capacity to develop Android Based data collection software, Mobile Apps and Dashboards. Being an NSO, PBS has taken the initiative to provide evidence based information about the impact of COVID-19 on the socio-economic condition on the wellbeing of the people capturing information related to Employment, Income, Remittances, Food insecurity, Health, Coping strategies adopted by the household and assets to compile wealth quintiles. Data will be collected electronically and results will be available by end of November 2020. The Deputy Chairman Planning Commission appreciated the efforts of PBS and inaugurated the Field Operation of Special Survey to

Evaluate Impact of COVID-19 on Wellbeing of people. It was further informed that PBS is developing Decision Support Systems and Data Dissemination Systems which would enable the policy makers to take evidence based decision making. PBS officials briefed the DCPC that PBS is successfully conducted census and survey such as Mouza Census, PSLM/HIES Survey, LFS etc and the data will be disseminated to the policy makers and general public through Dash boards in a user friendly manner.

DCPC inaugurating the Field Operation of Special Survey to Evaluate Impact of COVID-19 on Wellbeing of people.

The DCPC appreciated the efforts of PBS and said that reliable and timely data helps the policy makers to take informed decisions. He said that PBS has vast repository of data and PBS should focus on branding itself as an NSO. It should project itself as an efficient and credible technical organization. PBS should be the nucleus of all statistical activities and should start working with partner organizations, universities and provincial departments. PBS should conduct a detailed need assessment survey to make it a next

generation PBS. DCPC also inaugurated the Online Data Quality Assurance Application developed by the IT experts of PBS for District level LFS. This is first ever District level survey covering module on Disability. It will provide quarterly estimates at Provincial level based on 7200 blocks covering 10800 HHs.

PBS Activities

Special Survey for evaluating the Socio-economic impact of Pandemic COVID-19

PBS being the National Statistical Organization (NSO), its mandate to conduct Nationwide Census & Surveys, it has devised proposals to collect data for providing evidence for informed decisions to the Government/ Policy makers by studying the variables like Employment, Income, Remittances, Food Insecurity, Water, Sanitation & Hygiene, Assistance obtained from Government / Non-Government organizations/Philanthropy and Coping strategies adopted to tackle the shock. Accordingly survey covering 500 blocks has been conducted all over the country including AJK and GB electronically through

Virtual training regarding Special Survey for evaluating the Socio economic impact of Pandemic COVID-19

tablets. Android based software for data collection was prepared by support Services wing & Virtual Training was imparted to the field staff in the month of October, 2020. Field enumerators and Supervisors participated in the training. Data collection was held from 20 October, 2020 to 5th November, 2020. After successful data collection, data processing was also completed and results were prepared and finalized within a month. Presentation and Report of the

survey has been prepared and will be presented to minister in first week of January, 2021.

PSLM District Level Survey, 2019-20

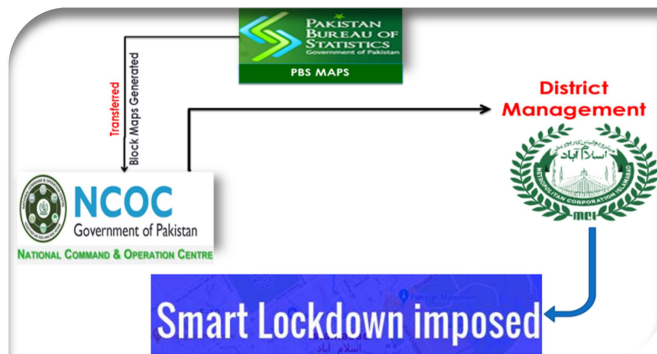

Data Processing of PSLM District Level Survey 2019-20 and tabulation are in progress and report will be available by the end of January, 2021.

Mouza Census 2020 Survey

Field enumeration and Data Processing activities of Ninth Mouza census has been successfully completed in September, 2020. Accordingly, key finding report has been prepared and submitted for approval. The information collected through Mouza census will be used for Sampling Frame of IAC. As it is providing updated list of Mouzas / dehs / villages / killies / basties with total land, cultivated land, crops, livestock with other variables As soon as results will be approved, Key Finding Report (KFR) will be available.

PBS assistance to National Command & Operation Centre (NCOC) for Smart Lockdown (Pandemic Covid-19)

Pakistan Bureau of Statistics (PBS) is continuously assisting in the form of maps of Covid affected blocks for implementing of Smart Lockdown to NCOC.

LABOUR FORCE SURVEY 2020-21

Labour Force Survey Section is conducting district level LFS 2020-21 first time. The major aim of the survey is to collect a set of comprehensive statistics on the various dimensions of civilian labour force, employed, unemployed, underemployed, mean hours work, wages/salaries etc. for skill development, planning, employment generation, assessing the role and importance of the informal sector and, sizing up the volume, characteristics and contours of employment.

LFS 2020-21 Training Session at PBS, Regional Office, Quetta

Labour Force Survey Section is carrying out first ever district level survey. The questionnaire and methodology of the survey have been undergoing pertinent improvements through the forum of "Panel on Labour Statistics" comprising all important stakeholders to keep current with best practices. Up till now 50% enumeration/field work of the survey has been completed. Third quarter is in progress while online editing/coding and super checking is in progress.

Director LFS visits online data cleaning center at HQ

Sample Designing of Integrated Agriculture Census (IAC) 2021

Pakistan Bureau of Statistics is planning to conduct Integrated Agriculture Census (IAC) 2020-21 by merging three censuses i.e. Agriculture Census, Livestock census and Agriculture Machinery Census. Previously, three separate censuses on Agriculture, Livestock and Machinery were conducted on different point of time. Currently, mouza census activity has been completed, and this will be used as sample frame of the IAC. In this regard, FAO being custodian agency of Agriculture Statistics has hired technical consultant Mr. Cristiano Ferraz upon request of PBS for development of sample design of first ever Integrated Agriculture Census (IAC) Pakistan. Two consultative meetings between PBS team and technical expert have been held till December, 2020 and initial work to develop sample design has been started.

Technical Consultant
Mr. Cristiano Ferraz

Study visit By EM Section Officers to Salt Mines Located in Punjab and Sindh

Director Energy and Mining along with statistical officer visited various salt mines located in Punjab and Sindh. Objective of the visit was together information about input and output ratio of pink and other salts based on small study recommended by stakeholders and members of technical committee on rebasing of National Accounts.

Director (EM), visit (Salt Mines)

Meeting of Mr. Shaukat Zaman, Director (Trade) with Mr. Azeem Afzal, Team Leader of National Single Window (NSW) System, FBR

A meeting with Mr. Azeem Afzal, Team Leader, National Single Window (NSW), FBR, Karachi was held on 28.10.2020 in the office of Director (Trade), Karachi. Mr. Shaukat Zaman, Director (ET), Mr. Sarwar Solangi, CSA and Mr. Atif Hassan, SO (In-Charge), Trade Section participated the meeting on behalf of PBS. Mr. Azeem Afzal informed that Pakistan is obligated to implement trade related NSW under WTO's agreement on trade facilitation by year 2022. He briefed about working and establishment of Pakistan Single Window Company (PSWC), a subsidiary of FBR just like PRAL established under Act (Section 42 of SECP). He further highlighted the WEBOC system and informed that at present 48% to 50% of custom documents are being cleared within 24 hours. Whereas 90% to 95% are being cleared within 5 days. He stated that currently 45 ministries and 72 departments are using trade data of FBR / PRAL. Mr. Shaukat Zaman, Director (ET), informed about the efforts PBS, relating to rebasing of trade indices and development of Trade Statistics Management Information System (TSMIS). Problems relating to EPZ import data was also discussed. Finally, Mr. Azeem Afzal requested Pakistan Bureau of Statistics (PBS) to share PCT Codes-2017.

Meeting of Director (Trade) with Mr. Azeem Afzal, Team Leader of National Single Window (NSW) system, FBR

Meeting of Committee Constituted for estimates of poverty, 2018-19

Government of Pakistan has constituted a committee for estimation of poverty based on Basic Need Approach on estimates, 2018-19. One member of the committee Dr. Aliya H. Khan is the head of the committee from Research & Academia, Ms. Rabia Awan; Director PBS is the member of said committee. Ms. Rabia Awan, has attended the virtual meeting held on 04-12-2020 regarding presentation of PSLM/HIES 2018-19 report and Poverty Estimation by using cost of basic need approach.

Director (PSLM), presenting in the Virtual Meeting

External Trade Statistics

Exports from Pakistan: According to provisional figures compiled by the Pakistan Bureau of Statistics, exports from Pakistan during December, 2020 amounted to Rs. 377,366 million (provisional) and in November, 2020 is Rs.346,063 million showing an increase of 9.05% over November, 2020 and in December, 2019 is Rs.308,032 million showing of 22.51% increase over one year.

Exports during July-December, 2020 totaled Rs. 1,977,766 million (provisional) as Rs. 1,803,776 million during the correspondence period of last year showing an increase of 9.65%.

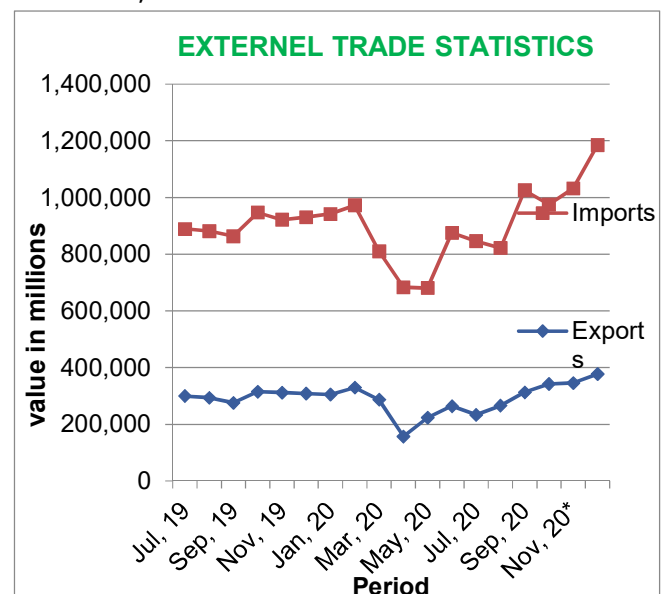

Imports into Pakistan: Imports into Pakistan during December, 2020 amounted to Rs. 807,873 million (provisional) as against Rs.686,349 million (provisional) in November 2020 and Rs.622,709 million during December, 2019 showing an increase of 17.71 over November, 2020 and of 29.74% over December, 2019. Imports during July-December, 2020 totaled Rs. 4,008,767 million (provisional) as

against Rs. 3,630,229 million during the correspondence period of last year showing an increase of 10.43%.

Period	Exports	Imports	Balance of Trade
Dec, 19	308,032	622,709	-314,677
Jan, 20	305,001	637,326	-332,325
Feb, 20	329,588	642,896	-313,308
Mar, 20	286,847	524,074	-237,227

PBS Trainings

Collaboration in the field of Statistics:

In this regard, following steps have been taken:

1. Renewal of agreement with Kinnaird College for Women, Lahore is in progress.
2. Letter of intent with Allama Iqbal Open University (AIOU), Islamabad for mutual collaboration, has been drafted and ready for vetting from "Ministry of Law".
3. Negotiations regarding collaboration with Quaid-e-Azam University, Islamabad are in progress.

During the visit of Deputy Chairman Planning Commission to PBS on 22-10-2020, Training Wing was assigned the task of "developing partnership with organizations, such as COMSATS and similar partner institutions which would be helpful in scientific interpretation of its enormous repository of data and using their potential for surveys and outsourcing of activities". Therefore, Training Wing PBS has inter-alia invited COMSATS, PMAS, Arid Agriculture University, Rawalpindi and Fatima Jinnah Women University, Rawalpindi for extending collaboration. The responses from these universities are awaited for further progress.

Preparations of UNFPA Work Plan 2021

Following training proposed by Training Wing were included in the UNFPA Work Plan 2021.

1. Data Science, Big Data Analysis & Interpretations
2. Data dissemination, Presenting data and Designing of reports
3. Advanced Demographic Methods

Online training course on SDG-3 indicator on 28-30 December 2020, organized by SESRIC

SESRIC has organized 3-days virtual training course on SDG-3 indicator from 28-30 December 2020 on SDGs Indicator-3 for the officials of the Gambia Bureau of Statistics (GBOS). Ms. Rabia Awan, Director,

Pakistan Bureau of Statistics, was nominated to impart the subject training. Comprehensive detail about the SDGs indicator was described by the trainer; the training course content consists of definition, methodology, disaggregation and data calendar which was described and discussed in detail. Trainees were also replied regarding their queries.

Online Training Course on "SDG-3 Indicators"

Database of In-House Research Scholars

PBS works with more than 3000 work-force; including scholars involved in part time or full time research. To acknowledge their research work and make it a part of our database, the Training Wing of Pakistan Bureau of Statistics (PBS) is developing a database of the in-house researchers to have their input in the promotion of training and research activities. In this regard a letter has been circulated. Up-till now eight researchers from different Regional/Field offices and Head office, Pakistan Bureau of Statistics (PBS) have submitted their information.

Training on "Sample Design, Listing technique & Map formatting"

Training on Sample Design, Listing Technique & Map Formatting was organized from 5th to 9th October, 2020 in the training hall of Pakistan Bureau of Statistics. The training was attended by 11 participants from different sections of PBS. The training was delivered by two resource persons Mr Qazi Ismat ullah, DCC, GIS Lab and Ms. Rumana Sadaf, CSO, Sample Design Section. Mr. Ismail Khan,

Deputy Director General distributed certificates among the participants at closing ceremony.

Mr. Muhammad Ismail, DDG (Chief Guest) at Training Course on Sample Design, Listing tech. & Map Formatting

Training on "Fundamentals of MS office"

Training on Fundamentals of E office for UDCs, LDCs, PS and APS in PBS was organized from 26th to 29th October, 2020. The resource person was Mr. Irfan Haider, DPO, DP Centre. Keeping in mind the Prime Minister's vision of digital Pakistan, Training Wing aims to update the staff of PBS with basic computer literacy, which would be beneficial in moving towards Electronic transformation. Mr. Muhammad Sarwar Gondal, Member (SS/ RM), Dr. Amjad Sandhu, Deputy Director General, Mr. Bashir Janjua, Joint Census Commissioner and Ms. Rabia Awan, Director graced the closing ceremony.

Mr. Muhammad Sarwar Gondal (Member) distributing certificates of Training on Fundamentals of MS-Office

Training on "Data Analysis using SPSS"

Training on SPSS (basic level) was organized from 18th to 25th November, 2020 in the training hall of Pakistan Bureau of Statistics. Mr. Muhammad Sarwar Gondal, Member (SS/RM) was the chief guest in opening and closing ceremonies. The training was

attended by 21 participants including internees from different sections of PBS. The training was delivered by Mr. Saqib Sultan Khawar, SO, PSLM Section. Ms. Rabia Awan, Director, also delivered a lecture on working of PSLM Section in

Director (N.A), distributing training Certificates to participants of Data Analysis Using SPSS

one session during the training. Mr. Muhammad Sarwar Gondal, Member (SS/RM) distributed certificates among the participants at closing ceremony. The training was very useful in building the capacity of PBS Staff in "Data Analysis using SPSS".

Training on "Data Management Using STATA" under GoP-UNFPA Work Plan 2020

Training on "Data Management using STATA" was organized from 30th November 2020 to 4th December, 2020 in collaboration with UNFPA under its Annual Work Plan 2020. The resource person was Mr. Muhammad Ali Raza, Data Processing Consultant from National Institute of Population Studies (NIPS), Islamabad. The training was attended by 14 participants from different sections of PBS and M/o PD & SI. The training will be considered as a

Mr. Ayyaz ud Din Member (C&S) Chief Guest at closing ceremony of training - Data Management Using STATA

milestone in using STATA Software for analysis and management of data in different sections of PBS. The opening and closing ceremonies were presided by Member (C & S), Mr Ayyaz-ud-Din. Syed Muqaddar Shah, Program Analyst (Population & Development), UNFPA, Islamabad was also present during the closing ceremony. The certificates were distributed by Syed Muqaddar Shah, UNFPA and Mr. Ayyaz-ud-Din, Member (C & S) PBS.

United Nations Regional Workshop on Measuring SDG Indicators through Population and Housing Census and Civil Registration and Vital Statistics Data

The workshop was organized by the Statistics Division of ESCAP and the United Nations Statistics Division from 3-6 November, 2020. Mr. Saeed Ahmed, Assistant Census Commissioner, PBS represented Pakistan included participants from Afghanistan, Armenia, Azerbaijan, Bangladesh, Brunei Darussalam, Cambodia, Georgia, China- Hong Kong, SAR, India, Indonesia, Lao PDR, Maldives, Myanmar, Mongolia, Nepal, Sri Lanka, Thailand, Timor-Leste, Turkey, Turkmenistan, UNFPA Cambodia, and UNFPA Nepal. It was highlighted that Pakistan is collecting SDGs indicator through survey and are mostly covered in Population and Housing Census. First time in census 2017, Pakistan has collected transgender data. Pakistan has suggested some recommendation to be included in international census i.e. Transgender must be added to the column of gender. Disability must be included 100 percent in the Census questionnaire. Enumeration area should be linked using GIS. Overall the workshop enhanced capacity

Mr. Saeed Ahmed (ACC) Participated in the Workshop

building, for measuring SGDs on international standards, by using PHC and CRVS data.

Webinar on Small Area Estimation under UNFPA Work Plan

A Webinar on 'Small Area Estimation' was held on 14th and 15th Dec, 2020 in collaboration with UNFPA under its work plan 2020. The resource persons were Dr. Tapiwa Jhamba, Senior Technical Advisor, UNFPA HQ, Dr. Tom Bird, Technical Consultant, UNFPA HQ, Dr. Sainan Zhang, Technical Specialist, UNFPA HQ, and Dr. Mathias Kuepie, Technical Specialist, UNFPA WCARO. The webinar was attended by 16 participants of PBS and 6 were participants from other organizations.

Regional Workshops on Implementing Data Integration in Asia & the Pacific

ESCAP is organizing these workshops jointly with partners to strengthen awareness and capacity for data integration in countries of Asia and the Pacific, using poverty-related statistics (including indicators to measure SDG targets 1.1 to 1.4) as a working example. The workshops provide the opportunity to share and document national and regional examples of data integration. By involving volunteer members of the DI-CoP, workshops will also contribute to strengthening the DI-CoP through the opportunity to meet and work together in a virtual setting. Officers participated in the workshop from PBS Mr. Azizullah Bhatti (Director), Mr. Yasir Ishfaq (CSA), Mr. Muhammad Sarfaraz (CSO), Mr. Saqib Sultan Khuwaja (SO) and from M/O PD&SI Mr. Sarosh Sikandar (RO) & Khuwaja Basit Rehman (AC).

Participants of the workshop

APPOINTMENT OF MEMBERS

The Government of Pakistan, in exercise of powers conferred under sub-section (1) of Section 18 of the General Statistics (Reorganization) Act, 2011, is pleased to appoint the bellow as Members,

1. Mr. Ayaz-ud-Din as Functional Member (MP-II Scale) i.e. Member (Census and Surveys) in Pakistan Bureau of Statistics (PBS) under Ministry of Planning, Development and Special Initiatives with effect from 08-09-2020.
2. Sayed Eijaz Ali Shah as Functional Member (MP-II Scale) i.e. Member (National Accounts) in Pakistan Bureau of Statistics (PBS) under Ministry of Planning, Development and Special Initiatives with effect from 11-09-2020.

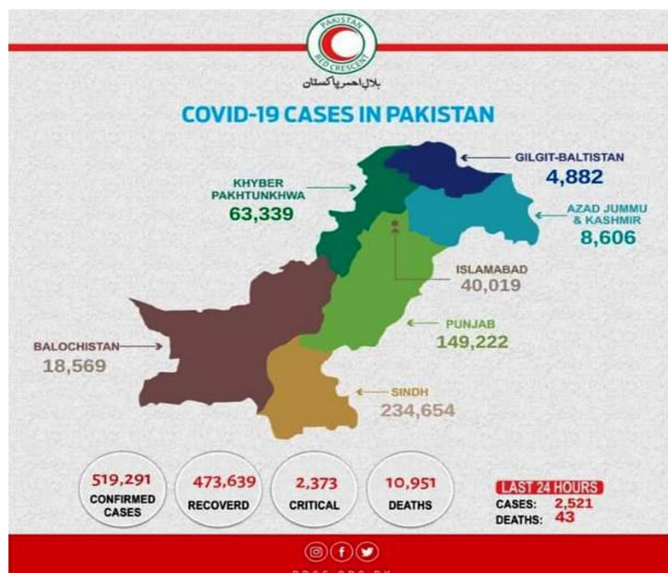

Both members appointed for a period of four years provided that the Member shall cease to hold office on attaining the age of sixty-five years or expiry of the term whichever is earlier.
