**NOTES:**

1. Household obtaining water from the source indicated expressed as a percentage of the total number of households.
2. Categories: ‘Tap water’ consists of both tap water inside and out side house; ‘Hand pump’ includes hand-pumps both inside and outside. Motor pump includes motor pump and tube well outside the house; ‘Dug well’ includes well open and well closed both inside and out side the house; and ‘Other’ includes public standpipe (supplied by tanker), water seller, canal, river, spring, stream, pond and other.
3. Totals may not add to 100 because of rounding.
